1. Mission Statement

At Chauncy School, we believe that if our students are absent from school it can be very difficult and challenging for them to learn and progress fully. Therefore, we aim to ensure that all our students take full advantage of the educational opportunities available to them and we will strive to raise standards by promoting their regular attendance and punctuality. We believe the foundation of securing good attendance is that our school is a calm, orderly, safe, and supportive environment where our students will want to be and are keen and ready to learn.

2. Attendance Target

At Chauncy School we have a whole school attendance target of above 95%.

3. Attendance Registers

At Chauncy School it is our legal requirement to carry out official attendance registers twice daily. These occur at 08:50 and 14:15. Students arriving late are expected to sign in at Reception. They should record the date, their name, form, time of arrival and reason for lateness. The rules governing the maintenance of registers, including removal from roll, are contained in the Education (Pupil Registration) (England) Regulations 2006. Attendance registers are legal documents that may be required as evidence in court cases.

1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

The minimum expectation for attendance is **95%**. Absence below **90% is classed as persistent absence** and parents could be at risk of prosecution. **90% Attendance** over 1 school year is a total of **4 weeks missed learning or 120 lessons**.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)

- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

3.5 Class teachers and form tutors

Class teachers and form tutors are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office within 10 minutes of the start of the lesson.

3.6 School admin/office staff

School admin/office staff will:

- Take calls, emails and EduLink notifications from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls and notify of other communications from parents/carers to the Attendance officer and Pastoral Team/ Learning Coordinators where appropriate, in order to provide them with more detailed support on attendance

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day or timetabled session on time
- Call or notify the school via email or EduLink to report their child's absence before 8.50 am on the day of the absence and each subsequent day of absence, and advise when they are expected to return

- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting the Attendance Officer or relevant Learning Coordinator, who can be contacted via email or phone [01920 411200](tel:01920411200)

3.8 Pupils

Pupils are expected to:

- Attend every timetabled session, on time
- Sixth Form students to call the school to report their absence before 8.50 on the day of the absence and each subsequent day of absence

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.50am and ends at 3.30pm.

Pupils must be in class by 8.50am on each school day.

The register for the first session will be taken at 8.50am and will be kept open until 9.20am.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8.50am, or as soon as practically possible, by calling the school admin team, who can be contacted via [01920 411200](tel:01920411200) or admin@chauncy.org.uk, or via EduLink.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

This request should be via email, EduLink or in a phone call to the school office.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- At the start of the school day and before the register has closed (9.20) will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Chauncy School constantly monitors punctuality to school and lessons.

Lateness to Lessons

Students late to lesson will be marked as an 'L' by the class teachers and the minutes late recorded.

Learning Co-ordinators are sent weekly late reports by the admin team. These are analysed.

Any student with 3 or more late sessions in a week will be issued with a lunchtime detention (30 mins).

Any student with 5 or more late sessions will have their parent/ carer contacted and information shared regarding the late session.

If a student received 3 lunchtime detentions for lateness, this is escalated to an after school detention (1hour).

Persistent lateness will result in the student being placed on an Attendance Action Plan for punctuality, with appropriate targets set and support put into place.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Text/ message/ call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may request support from external agencies, such as the police.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with, we will issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below). We will also notify and work with the LA and Police if we feel further support is required.

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels half termly via reports and letters sent out. Information is also available live on Edulink.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as incidents that are short term, arise unexpectedly and are beyond your control. It's something that happens to you that negatively impacts your ability to study, prepare or complete an assessment or exam or attend school.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted via email to the school office, as soon as it is anticipated and, where possible, at least 2 weeks before the absence. The headteacher may require evidence to support any request for leave of absence. If a pupil is over compulsory school age (e.g. sixth form), leave can be requested or agreed by the pupil or a parent they normally live with.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil

- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

We will encourage and reward positive attendance to those pupils that have an attendance of 100% or above 98% or to those students that show a significant improvement over a period of time or via an agreed attendance contract. We will also record pupils' achievements on school newsletters. We will celebrate

pupils' successes in assemblies as well as rewards assemblies and in rewards evenings. We will also try to offer additional rewards for pupils during the school year

Attendance is celebrated weekly in form groups and year group assemblies.

Attendance is part of the Chauncy Passport, which is rewarded at the end of the school year with a trip.

Attendance is displayed in classrooms and across the school in displays.

Letters to go home regarding improved attendance.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Pupils will receive additional support and we will work with families and the relevant support networks and external agencies to ensure that all the help and support required is in place. We will highlight through contracts the agreed support as well as let the relevant staff know in school.

Support can include- lesson resources; buddy support; one to one input; meet with students to discuss absence, patterns, barriers and problems.

Establish action plans to remove barriers, provide additional support and set targets.

This could include:

- lunchtime arrangements, support with uniform, transport, wake up routines or emotional wellbeing
- daily or weekly check-ins to review progress and the impact of support.
- Make regular contact with families to discuss progress.
- Consider what support for re-engagement might be needed, including for vulnerable groups
- Prepare supporting resources to ensure students can access learning when they return
- Develop targeted intervention to address gaps and build students' confidence (including considering small group additional support)
- Contribute to action plans which attendance staff draw together where appropriate
- Provide tailored praise and encouragement when students attend and arrive on time

N.B this list is non-exhaustive).

7.2 Pupils absent due to mental or physical ill health or SEND

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that relate to the pupil's needs, the school will inform the local authority. We will also ensure that through meetings with the relevant support staff, linked staff and attached agencies that plans are in place to support attendance to school and the pupils' timetables all based around the school day and how we can help the pupil ensure that they attend school and receive the help required in being in school. Further support with the SEND department will be in place as well as follow up meetings and reviews.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Pupils that have returned will have meetings prior to their return to look at and support the reasons as to why they haven't attended, this will involve all key stakeholders. The times of attendance and lessons may be amended as well as use of rooms such as the LSR.

8. Attendance monitoring

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) weekly, half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to Learning Co-ordinators and Form Tutors to facilitate discussions with pupils and families, and to the governing board and school leaders (including the special educational needs co-ordinator and designated safeguarding leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)
- Monitor weekly students attendance in identified groups
- Inform parents of persistent absence or severe absence.

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum after one year by Kate Nichols (Assistant Headteacher (Pastoral)). At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
